Important Meeting Board of Education

The Halifax County Board of Education which met in Halifax on last Monday, July 3, appropriated the sum of five hundred dollars to each graded school district to be used only for building purposes.

School committeemen for the various schools were appointed by the Board and a Primary Supervisor for the white schools was appointed at the urgent request of County Superintendent A. E. Aers.

Everybody's business is nobody's business but lots of people persist in giving personal attention to the private affairs of first one and then t'other.

SECOND CHAUTAUQUA MOST SUCCESSFUL

Presenting a Brilliant Program Record Breaking Attendance Loss of Guarantors Very Light

WILL RETURN NEXT YEAR

The second Chautauqua in the history of this community closed its week of joyous days on last Thursday evening, with the presentation of Gilbert & Sullivan's Mikado, with a complete cast, orchestra and chorus.

Not only in program but in financial returns and attendance this Chautauqua led that of last year by fully fifty per cent. Seven hundred dollars of season tickets were sold last year; eleven hundred this year. The attendance averaged about six hundred, going to 662 on Tuesday evening when "Happiness" was the attraction and reaching the high water mark on Thursday evening, 874 people passing through the gates to see "The Mikado".

The deficit to be made up this year by the guarantors will amount to only \$4.08 each, as compared with \$24.50 last year. That the program was satisfactory and that Chautauqua is here to stay is evidenced by the fact that 108 names have been signed on the guarantors' contract for a 1917 Chautauqua, and the return of Chautauqua is an assured fact, over three hundred season tickets having been already subscribed for next year.

The guarantors contract is still being held open by the guarantors and anyone wishing to sign this contract and lend his name and influence to the work of making 1917 Chautauqua a perfect success is cordially invited to do so now, although, of course additional signatures are not essential to the return of Chautauqua as the contract became operative the moment one hundred names were affixed.

Vacation Increases Typhoid Chances

The State Board of Health is again urging people not to go on their vacations until they have taken the vaccine treatment against typhoid fever. The Board urges this precaution on account of the many dangers of taking typhoid that are likely to be met on vacation trips, camping parties or outings of any kind. It says that there are many more chances of getting the infection when traveling and eating and drinking at various places than at home, and that the best and about the only safeguard against such liabilities is the immunity to the disease that is to be had from the vaccine treatment.

The Board says further in its note of warning that often what is in the beginning a bright and joyous vacation is at the end one of sickness and sadness on account of this one unheeded precaution; that people as a usual thing don't altogether ignore this important feature of their preparation for vacation but that they neglect it until finally for lack of time it is dismissed as out of the question.

"Then, too," says the Board, "there are people who, if they are going to the mountains make themselves think that there is little or no danger, and that their risk against it is only a minor one. And there are those who think if they go to the good hotels and are careful of where and what they eat and drink that they will not be likely to meet the infection. But," says the Board, "it is against the unsuspecting nature of typhoid and against the uncontrollable means of spreading the infection that make the vaccine treatment as a precaution so valuable."

PATTERSON MILLS BASEBALL TEAM

Defeats Rosemary and Henderson Team in good shape

Patterson Mills defeated Rosemary Saturday in one of the best and fastest games of the season, neither team winning a decision until the ninth inning. Snotterly and Saunders were the opposing twirlers both being in great form. Snotterly winning the decision in the ninth, Carr's hitting and the sensational work of Hodges at first deserves special mention. Rosemary has added several new players and the team is in very good shape.

Score by innings
Rosemary 100 000 000 1
Patterson Mills 000 100 010 2

Base Ball every Saturday at Rosemary Park.

Patterson Mills won the last game of the three game series with Henderson Baraca Team by the count of 4 and 2 making it two out of three.

Henderson has one of the strongest amateur teams on the Seaboard between Norfolk and Raleigh having lost only four games this year.

Captain Hodges sent "Big Jeff" Snotterly in to oppose Allen of Louisville. Snotterly was complete master of ceremonies from beginning to the end allowed six hits and fanned five batters.

McAlister and Carr featured Patterson Mill with their batting each securing four hits out of four times at bat.

AMATEURS TUESDAY AT PEOPLES THEATRE

Local Talent for Benefit of Baseball Club. An Ambitious Program Has Been Arranged

Local talent will demonstrate on next Tuesday night to an astounded audience the vast degree of histrionic genius which has been "born to blush unseen and waste its fragrance (?) on the desert air". It is going to be some minstrel from all reports' with end men that Coburn will certainly kidnap if he gets half a chance and a circle that will make him green with envy -- or rage.

We are not plying away any secrets but the brilliant cast has been faithfully rehearsing and we understand they are stocked up with local cracks. Director King, who has been conducting the rehearsals, says the boys are going to give a classy performance from beginning to end -- an evening of real fun.

Reserved seats will be placed on sale at Cherry's Ice Cream Parlor Saturday morning. Prices 25, 35, and 50.

Mrs. Sallie Britton Garris

Mrs. Sallie Britton Garris, wife of J. H. Garris, died at her home in Rosemary on last Monday afternoon, after an illness of some years duration.

Mrs. Garris was forty seven years of age at her death and is survived by a husband, a brother and a sister, and nine children, two boys and seven girls.

The interment took place Wednesday at the family burying ground near Seatoard, N. C. Mrs. Garris had been a resident of Rosemary for about nine years and her bereaved family have the sympathy of a host of friends. Mrs. Garris was a devout Christian, a lovely mother, and her loss is deeply felt by all who knew her.

TO-DAY AND TO-MORROW FRANKLIN AT ROANOKE RAPIDS

The Weavers have mislaid the rabbit foot! Losing five out of eight close games is sure indication that a jinx is on the team, but the fans have hopes that the home ground rooters and the resumption of baseball here after a twelve day hiatus will break the luck and place all three games under the Weavers column.

Results for the week ending with Thursday's game, show Emporia three, Roanoke Rapids one, Franklin two, Roanoke Rapids one, and a fifteen inning tie between Emporia and Roanoke Rapids.

Franklin is coming down with a strong team and the Weavers have added recently two new players whose work looks well. Manager Holloman says his boys are going after all three games here and Franklin will have to play some baseball to take any of them.

To-day's game will be called at four o'clock. A double header on Saturday, the first game at 2:30 and the second game immediately after the close of the first. A concert will be given by the Rosemary Concert Band during the Saturday games.

Mrs. B. F. Cullom

This venerable mother and grandmother, born February 4 1826, died Tuesday morning July 4th, 1916, at her daughter, Mrs. F. J. Shearins' and her grandson Hannibal Shearins, aged ninety years and 6 months to a day. Death resulted from apoplexy She left five children, W. M. Cullom, of Aurelian Springs, A. L. Cullom, of Rosemary, J. Frank Cullom, of Littleton, and Mrs. Laura Smith, of Roanoke Rapids, and Mrs. F. J. Shearins, of Rosemary, R. F. D. She lost three sons quite young and one married daughter, Mrs. E. A. Ives, in 1896, mother of Mrs. Loucretia Webb and Mrs. Leon Cobb, of Rosemary.

She left eighty one grand children. When her husband left for the war in 1861, she was left with seven children, she supported them without aid from the government. Her pastor Rev. Wm Towe, of Ebenezer of her church, conducted the burial services Wednesday afternoon at the grave surrounded with all her children and grandchildren with a large crowd of relatives and friends. "She certainly did love her children and wanted to visit them often as she could".

She now sleeps at the old homestead by the side of her husband who preceeded her sixteen years ago. A very brave soldier I am told was he. Children and grandchildren I say let us forever cherish and be proud of our mother and grandmother for such ancestress as she was.

Baby Needs Extra Care in Summer Time

"The baby needs extra care and watching during hot weather", says the State Board of Health. "It is not hot weather alone, however, that makes babies sick in summer but mainly the effects of hot weather on their food. For this reason there is no better and safer food for babies than mother's milk. Babies should not be weaned in the summer unless the doctor orders it and then his advice should be followed in preparing their milk and other food. Buy the best and cleanest milk you can get and keep it cool and covered."

"Babies often cry because they are thirsty or because they are getting too much food, or because they are hot. Give the baby all the cool boiled water it wants. Boil the water for twenty minutes and keep it cool and covered. Have it fresh every day. Dress the baby for comfort in hot weather. On hot days leave off its dress and see that its arms and legs are free to the air."

"Fresh air is most important to the baby's health and comfort in summer time. Keep it out in cool shady places as much as possible but free from flies and mosquitoes. Have the bedroom windows wide open at night."

"Bathe the baby in cool water at least once a day or oftener in warm weather. If it has prickly heat, put a teaspoonful of bicarbonate of soda in the bath. Use a good powder after the bath."

"If the baby is sick stop feeding it altogether. Give it water instead and see the doctor at once. Don't let the neighbors tell you what to do. "Remember that regular feeding, sleep, fresh air, care of all foods, plenty of cool boiled water to drink, clean, dry clothes to wear, cool baths, and the doctor when the baby is sick, will save the baby during the summer months."

YOU FORGOT

It was a little thing, but you forgot,
And your forgetting was a thorn to me,
I wonder if you would forget or not;
Unmidful men were ever meant to be.
Excuses, dozens, I have made for you
I tried to think that you remembered yet;
Twas such a little think, not much, it's true,
And still it hurts to know that you'd forget.
